

**SWEET ALMOND AND ARGAN REJUVINATING MOISTURISER
FOR MATURING SKIN (30ml)
NORMAL/DRY SKIN**

INGREDIENTS: Distilled water, lanette wax, sweet almond oil, carrot root oil, argan oil, vitamin E, grapefruit seed extract, Essential Oils: Clary sage, lavender, frankincense, bergamot, patchouli.

This formula has a blend of five powerful essential oils and organic plant based ingredients that are formulated especially for aging and mature skin.

ESSENTIAL OILS

Clary Sage helps to prevent premature aging of the skin and may have hormonal balancing effects.

Lavender is antiseptic and anti-inflammatory. These properties stimulate the growth of healthy new cells while soothing and balancing the skin.

Frankincense is astringent, rejuvenating and extremely beneficial to the skin. It helps to prevent wrinkles and preserve a youthful complexion.

Bergamot is subtle and uplifting uniting its enticing aroma with its powerful healing effects. It can be used for all skin types and has antiseptic and healing properties. It is a natural skin toner and detoxifier and may also prevent premature aging of skin.

Patchouli is the most active anti-aging oil helping to regenerate new skin cells.

ORGANIC PLANT BASED INGREDIENTS

Sweet Almond Oil contains both mono and polyunsaturated fatty acids and vitamins A, B1, B2 and B6. Sweet Almond oil penetrates well into the skin and is nourishing and protecting. It is rich in proteins and an excellent choice for dry skin.

Argan Oil is rich in antioxidants and essential fatty acids and contains high levels of vitamin E. It is light, moisturising and effective at fighting signs of aging and sun damage.

Lanette Wax contains cetyl stearyl alcohol derived from the fatty acids of coconut oil.

Carrot Root Oil is an antioxidant, rich in beta-carotene, vitamins B, C, D and E and essential fatty acids. The oil is especially good for dry chapped skin and has rejuvenating properties, delaying the ageing process.

Vitamin E is an antioxidant and protects skin from damage caused by ultraviolet rays.

Grapefruit Seed Extract contains vitamin C and glycerin. It is an anti-bacterial, anti-microbial antiseptic. It is a great natural preservative.
